VETERANS, SUICIDE, & HOMELESSNESS

For years, the U.S. Department of Veteran Affairs has been working with homeless veterans, many of whom have suicidal ideology. It's important to openly discuss veteran issues which can help to bring awareness and prevent veteran suicide and homelessness.

SAFETY PLANNING in an Abusive Relationship

- What is a Safety Plan?
- When to Leave
- Safety with an Abusive Partner
- Safety Planning with Children
- Safety Planning During Pregnancy
- Emotional Safety Planning
- Tech & Social Media Safety (1)

A safety plan is a personalized, practical plan detailing how to leave an abusive relationship and what to do once you leave. While some of the steps may seem simple, in a crisis it can be difficult to think clearly and act quickly.
